

**Step 1 :** Click on the link : <https://lafabrique-france.aviva.com/voting/projet/vue/30-907>

**Step 2 :** Click on "connectez-vous" in order to sign up

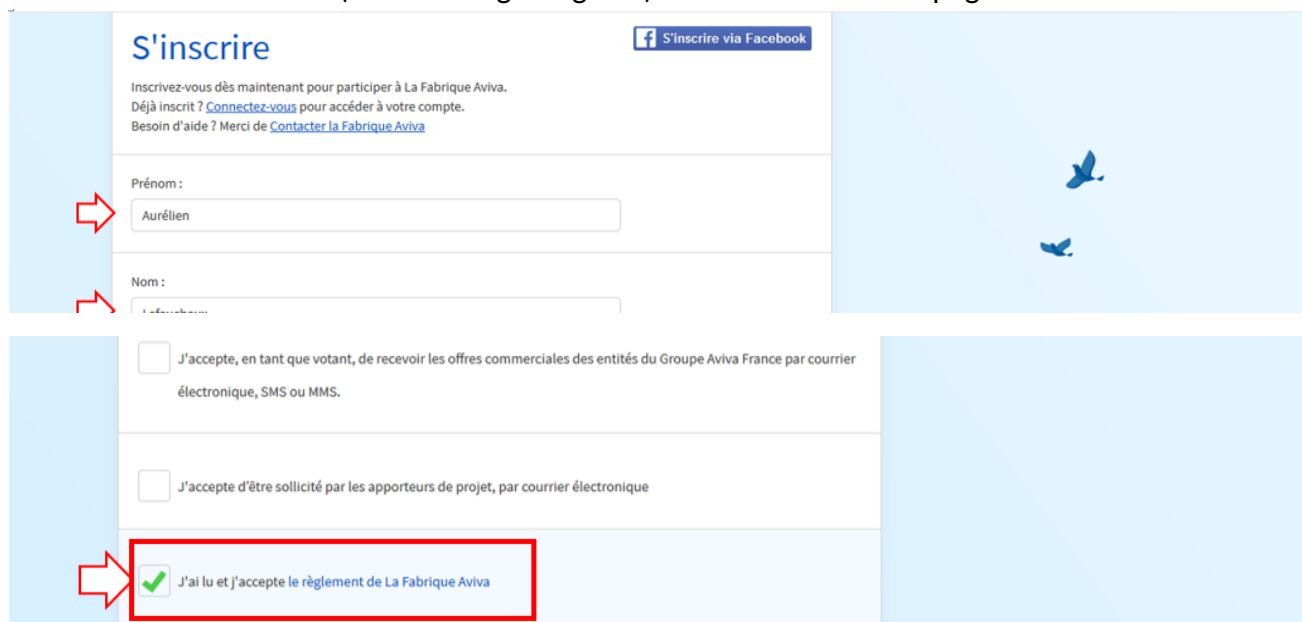

**Step 3 :** Register on the web site

**Step 4 :** Fill in first name, last name, email, password, date of birth. To the question "Comment avez-vous entendu parler de la Fabrique Aviva", the question mean "How did you hear about Aviva Factory", answer "Via un porteur de projet" this mean "Via a project leader". Be careful to check only "J'ai lu et j'accepte le règlement de la Fabrique Aviva", so as not to receive any advertising.

Then click on "**S'inscrire**" (the meaning is register) at the bottom of the page.

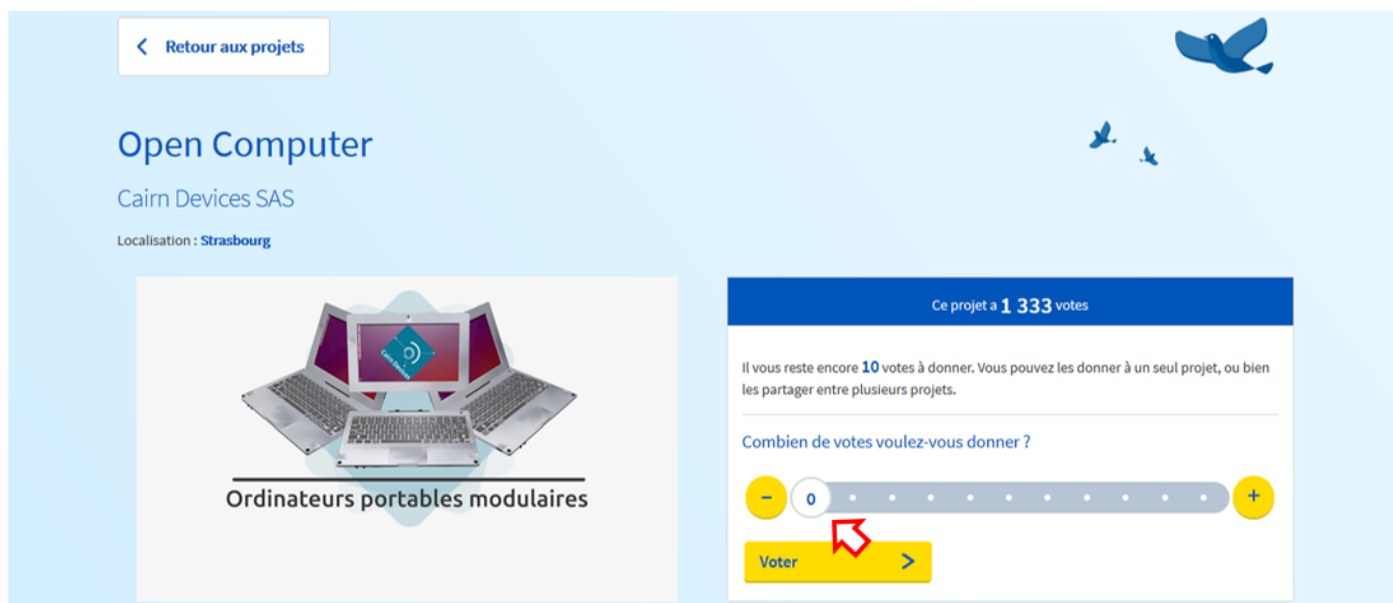

**Step 5 :** You will receive a validation email after registration. Be careful, the mail can be stored by mistake in junk mail (outlook, orange) or stored in "promotion" on Gmail. Example Gmail mailbox :

Open the email and then click on "**cliquez ici**" (meaning click here)

**Step 6 :** "Cliquez ici" takes you directly to the Open Computer voting page. You will then have 10 votes. Move the cursor from 0 to 10 votes, then click on "**Voter**" (meaning is vote)

Thanks a lot !
